Dear Paul,

A bit more on Lemaire-"Farewell America":

Swiss front, at address I've already given you, 12 Cours des Bastions, Geneva, Frontiers Establishments.

Lemaire has used cover in Paris Nurse, Paris phone, 870-0800.

Phillippe (Philippe). Has yet Vaujely the head of the former French intelligence chief or at least an agent in US? Could a picture of him be obtainable? I enclose them since it is to those who not others than Lemaire, the only one I know I've met. Other Phillipes: Geriatue, 80 rue Chantel, Levallois 80, France. In to early August 1948. October 1947, French agent named Phillipe Lesillion said to have been arrested in Manitoba for stirring up French Canadians.

Bonaquerre's office 24 Ave. Kleber, Paris, has third man, 6'2", large frame, 200 lbs., 45 years, dark hair and complexion. Margot 5'5", slightly built, brown hair, eyes,, thin, long face, high forehead, prominent temples, sallow complexion, talks little, no humor or charm, dour personality. Office plush, tastefully 18th century decor. Another attorney upstairs there.

Late July or early August 1948, Lemaire told someone to leave word for him at Coudert Bro. firm in New York, not in leaving word, to use only his first name. It is my recollection this time has connections from the pre-World-War II era that is interesting. It should have said "Colonia"?

Sincerely,

Harold Isaacs
